

JOIN US TO LEARN HOW TO
ORGANIZE, DE-CLUTTER, AND

Downsize with Ease

Join Cecilia Beisler, Move Manager, A Simpler Life Now for an interactive program that's perfect for people who want to organize their belongings, downsize, move, or simply learn more about living a tidy lifestyle!

Cecilia helps people organize their new spaces, downsize their belongings, and provides concierge move services.

"It's hard to think about parting with things that are familiar, things that have been yours for many years," shares Cecilia. "Beyond that, it is overwhelming to figure out what will fit and look best in your new place. It's my goal to make your vision become a reality in your new home."
